All greetings,

A huge thank you to the very talented Miss Fretwell for organising and running our extremely successful fun run/cross country. We look forward to our seeing how our representative team go at the Southern Zone event. We are very mindful that we cannot run/attend these events without the ongoing support of our parent community. Thank you to all our adult helpers who make these opportunities possible for all of our tamariki.

The painters are nearly finished, just a few finishing touches left to go. Our painting has inspired some conversation around perhaps creating some murals both inside and out. If that sounds like something you would like to be part of, please let Wendy or Jan know and we'll put together an interest group. Our new spouting is also going up today.

We are getting excited about our whole school production Te kanikani me ngā Whetu Each class is busy planning, preparing and practising their item. We will have a glockenspiel orchestra item and the ukulele group will also perform. We are also finalising the full script details.

Our learning spaces are looking amazing, check out the displays of student mahi. The term calendar is very full and we are continually working on updating the information on our website to keep you all in the loop.

Today marks the first Coffee group afternoon of this term. Our coffee group is a casual and informal time to get together, get to know each other, chat to other parents and enjoy being part of our learning community. We'd love to see you there.

Ngā mihi,

Tineke and the team
